2023-2024 EDITION

## PRESIDENT'S ADDRESS

This year, The Ohio University College Republicans have done a fantastic job of carrying on and expanding our great legacy. We have multiple members holding public office, dozens of members working and interning in politics, and huge turnouts for so many great events. I am so proud of everyone's hard work at recruiting this year and happy to say we currently have 83 club members, 61 of which had never been to an OUCR meeting before. We have had a very busy year even on an off election year. We have held multiple club events every week this semester. There is still another semester ahead of us this school year - and we return to school in 2024, a Presidential Election year where it will be absolutely crucial to take back the White House! With the help of our donors, we have become known as the powerhouse College Republican club in Ohio and we are on pace to create an even bigger impact supporting Republicans this year. We are so grateful for all the support and opportunities our donors provide us with. I hope you enjoy reading through our newsletter this year and seeing what makes us such a great and storied club!

# POLITICAL ACTIVITIES

## PARADES

Parades are always a great way our club can help get Republicans elected and always a fun time. This Year the OUCR's walked with JD Vance and Bernie Moreno in the Ashville 4th of July Parade. Bill Johnson in the Marietta Parade. Kevin Ritter in the Homecoming Parade.

## MEET & GREETs

This year we have been lucky enough to travel around the state to visit Republican candidates. We visited Vivek Ramaswamy's Campaign HQ. Got to see the inside of a bank vault with Kevin Ritter. We had pizza and watched football with Bernie Moreno at his campaign HQ.

## DINNERS

This year we have been so thankful to attend dinners with Vivek Ramaswamy, Chief Justice Sharon Kennedy, Secretary of State Frank LaRose, Representative Brad Wenstrup, State Senator Matt Dolan, Mercedes Schlapp, Bernie Moreno, and many more! One of our favorites was the Meigs County Bean Dinner.

# POLITICAL ACTIVITIES

## 9/11 FLAG MEMORIAL

Every year, the OUCR's go out early in the morning and place a flag on College Green to honor the lives lost on 9/11. We are proud to be able to set up this memorial for the Athens Community each year.

## PHONE BANKING

This year the club has teamed up with multiple candidates such as Vivek Ramaswamy and Bernie Moreno to host phone banks with the club. These phone banks have been great for teaching new members how to use the phone banking apps for the upcoming election season.

## WEEKLY MEETINGS

We are proud to have had a guest speaker at every weekly meeting this year. We are so thankful to all our guest speakers for coming, especially the many alumni that have come back to speak this year! The wisdom, stories, and connections we get from our speakers has been invaluable.

# CPAC & ANNUAL FUNDRAISER

Every year, The Ohio University College Republicans take a trip to Washington D.C. for the Conservative Political Action Conference. CPAC is a great opportunity for club members to hear directly from some of the biggest names in conservative politics, invaluable networking experiences, and have a great time in the nation's capital. Last year we had an amazing time and made lifelong memories. This year we are expecting to take the largest group to CPAC in club history. This annual trip would not be possible without the generous support from alumni and donors. We hope to see you at this year's OUCR CPAC Fundraiser Dinner!
